SHERWIN-WILLIAMS | IVOIRE SW6127

“This is a scrumptious color that reminds me of my favorite patisserie in Paris, where they have this wonderful yellow cake with raspberry sauce.”

FARROW & BALL | BLUE GROUND 210

“There is nothing more uplifting than a room not only drenched in sunshine but also in color. I love the way this turquoise makes me feel, especially when the sun hits it.”

MICHAEL BERMAN

DUNN-EDWARDS | PERFECT PEAR DE5519

“It’s an absolutely amazing color—pear green with a bit of apple. It goes from being pale in the early morning to something that’s bright and pungent in the late afternoon.”
